Tracking Technologies and Cookies

We use Cookies and similar tracking technologies to track the activities on our website and eventually store information (for more information on which data is collected review also our Privacy Policy). Tracking technologies used are beacons, tags, and scripts to collect and track information and to improve and analyze our website. The technologies we use may include:

- **Cookies or Browser Cookies.** A cookie is a small file placed on your Device. You can instruct your browser to Refuse all cookies or to indicate when a cookie is being sent. However, if You do not accept cookies, you may not be able to use some parts of our website. You are free to accept all, customize or refuse the use of cookies in our website.
- **Web Beacons.** Certain sections of our website and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs) that permit the Company, for example, to count users who have visited those pages or opened an email and for other related website statistics (for example, recording the popularity of a certain section and verifying system and server integrity).

Cookies can be "Persistent" or "Session" Cookies. Persistent Cookies remain on Your personal computer or mobile device when you go offline, while Session Cookies are deleted as soon as you close your web browser. We use both Session and Persistent Cookies for the purposes set out below:
